Class of

The Class of 1979

I guess growing isn't hard to do
Just stand against the wall
Once I was just two feet high
Today I'm six feet tall

But knowing who to listen to
Is something else again
Words just whistle 'round my head
Like seasons in the wind

In searching for the way to go
I've followed all the rules
The way they say to choose between
The wise men and the fools

I listen to the words they say
I read what I should read
I do whatever's right to do
Try to be what I should be

Ah, but wisdom isn't underground
Nor on a mountainside
And, where am I to take myself
There's no place here to hide

Words by
John Denver and Joe Henry

As that final day approaches the Class of '79 can reminisce about times gone by ... our joys and our sorrows, our conquests and our defeats ... have all made our years at W.A.H.S. special and uniquely our own

Through these years we all have grown both in knowledge and in experience. We have learned from our own endeavors, sometimes glowing with success and other times our glow being dimmed with failure. But through it all, we have learned to get back up to face our defeats as winners, trying again and again, striving to prove that we can conquer the seemingly unconquerable.

As each day passes, the Class of '79 will find that each new day will give rise to new challenges, and the new decisions they will have to make will be much more difficult.

In our quest for answers, we must learn to stand up for ourselves. We must be able to ask our own

questions. A question is the first step to learning. We must learn to be individuals, but it is equally important for us to be able to work together.

Sometimes the best results are achieved through a group co-operatively working together. We must exert ourselves as individuals, and we must expand an equal exertion to listen and comprehend the ideas of others.

Soon the Class of '79 will have to face the world the way it is. We have all been struggling for maturity from that first day in seventh grade. Some have fought the battle for adulthood and won, while others are still fighting.

For all, it is time to quit hiding from our responsibilities! We must move on to conquer all our battles with wisdom. We must let ourselves shine as mature responsible adults, for, "There's no place here to hide."

ACTIVITIES

Stylus Editorial Staff

'Blood, Sweat and Tears' are the main thoughts when organizing a yearbook. This can be seen best when each section editor is hard at work. Countless hours are spent making an accurate account of the year's activities. Each editor has the duty of completing his section to the best of his ability.

Our staff hopes you, the student body, will one day reminisce through these pages with the very special memories of our school days.

Business Staff

The Business Staff works closely with the Editorial Staff and has the financial responsibility of putting out the yearbook. From the first day in September to the last day in February, the staff is busy collecting money by selling ads promoting subscriptions working on assessments and signing up patrons. It takes a lot of daily deposits to come up with the total amount to cover the cost of the yearbook.

The National Honor Society is comprised of students who through their years in high school, have maintained a high academic standard. These students are initiated in the spring of their junior year. They make a pledge of dedication to Leadership, Service and Scholarship and must continue it through their senior year.

Members have such activities as selling chances at football games and participating in an annual Slave Day in which they offer their knowledge to fellow students for a fee of 50c.

EDITOR Rose Dill ADVISOR Mrs. Smolko

Hi-Times

One of the main sources of communication in the school is our paper, the Hi-Times. The students on this capable staff, along with Mrs. Smolko, keep the student body informed on such things as sports, movies, music and fashion. They also give objective points of view on matters that affect all of us and let us know what activities are going on around the school.

Scholastic Quiz

Scholastic Quiz is a "game of quick recall of general knowledge. Many hours of hard work go into making a good team. Unlike other things, Scholastic Quiz is the only activity in the school that in order to compete, they must stay undefeated, and we are one of thirty-two schools that go for that undefeated title.

WJAC-TV and the University of Pittsburgh at Johnstown co-sponsor this program, which is aired every Saturday night on local TV.

On the weekend starting September 28, all the hard work began to pay off. That Thursday the band left for Kingswood, West Virginia where they received 1st place overall honors and the highest score ever recorded in the history of that parade. Two days later they traveled to Alverton for the first field competition of the season. They did a terrific job as they marched off the field with another 1st place trophy. Next in line was the Greensburg-Salem Show held October 14. The band left on a cold and dreary Saturday with great hopes of maintaining their high achievements of 1st place. But all good things must come to an end, as 3rd place was all that the band could bring home. This didn't get them down though because the next afternoon was the last competition of fall, which was held at DuBois. They forgot all about the night before and went out on the field and performed fantastically. Again 1st place overall honors were rewarded to them. Also, the band received trophies for best marching and general effect

Competition is not the only thing on the band's

Band

mind, for they have performed at every parade held in Windber, and at every football game. One who attends these games could see for himself why the band has received the title of "Spirit and Excellence," both on the field and off. They not only perform a fine halftime show for the audience, but also they stand behind the football team and cheer along with the cheerleaders.

The one person who is most responsible for the high achievements of the band is the band director himself, Mr. Clawson. He not only does a fine job training the band, but also he is a friend who holds the group together in a close bond.

Behind Mr. Clawson in his duties is a staff of nine trained instructors who help each individual squad to do their best. Many thanks should be given to these devoted people.

None of the trips the band takes could be possible without the help of the band boosters. They are the parents who go out to raise money that helps greatly with the costly expenses the band must face.

Every spring the band travels to neighboring states to perform in large parades. This year for the first time, the band will compete in National Field Competition. This is held in White Water, Wisconsin during the second week of June. The band began to prepare for this trip as early as August, and will continue to do so until the day of competition. There is much hard work to keep up high goals, but the band will always keep climbing. One person stated, "Will their high achievements ever end!"

Interact Club

Officers

Interact is a club for all 10th, 11th, and 12th grade students interested in helping the community. This year they painted the crosswalks in front of the school which state "Windber Ramblers". The group also held a car wash this past fall. They made "Rambler" pennants that were sold at basketball games and they also sold pizzas. Interact is sponsored by the Rotary Club. Kiwanis Club sponsors the Key Club which is open to all Sr Hi boys. Members attend Kiwanis Club meetings and they participate in fund-raising projects.

Stage Crew

If you enjoy acting, helping with make up, and props, or working back stage with the stage crew, dramatics is a great club to join. Every year Sr. High students show their talents in a play production put on by the club.

They also do other things. For example this past year they sponsored the play "Godspell," put on by a local church group. This was held in our High School Auditorium. Some members acted as ushers, while others worked back stage.

The club gives girls, who want to work in health related fields, a chance to visit hospitals and talk to nurses first hand.

Sr. Hi Pep Club

Sr. and Jr. High Pep Clubs are composed of active students who want to back up and support the athletic activities of the school. During the football season, the cheerleaders helped out and taught the cheers being used throughout the year so that the club could yell and shout along.

During pep rallies, Sr. High members sat together and used their pep to make the rallies more successful. They also sold buttons stating "You Can't Stop Our Ramblers" and sold them during the year.

Every morning and afternoon, announcements are heard over the sound system by very brave and daring volunteer students. The words 'brave and daring' are used because not just anybody would give announcements throughout the whole school without first prereading the sometimes difficult and tongue-twisting news. Without these students, we wouldn't know the goings-on around the school.

The Jr. High Cheerleaders represent the spirit of Jr. High sports. They attend all the football and basketball games. During pep rallies they do a good job of leading the Jr. High students through cheers.

This year the cheerleaders participated in the annual Jr. High Cheerdance contest at the War Memorial.

Jr.-Sr. Prom

A day that will always live in our hearts was the Jr. Sr. Prom which was held at the Pyramids in Johnstown on May 15. The theme was "Dust In The Wind" and the music was provided by Ruckus. All couples attending the event thoroughly enjoyed the evening.

The outlook for the 1978 Windber Ramblers was a most impressive one. Coming off a 7-3 record from the year before, the Ramblers boasted eleven lettermen with a fine corps of runners. However, the big question was that of the line, and it was thought that, if the line came through, an undefeated season was not such a remote possibility.

The Ramblers broke camp with two successful scrimmages under their belts and headed for Windber Stadium. As it has been in the last six years, the Vo-Tech Spartans had the uneasy task of facing the Ramblers in the first game. This again proved to be unfortunate for the Spartans. The ramblers scored touchdowns on four of its first five possessions and completely dominated the first half. However, the Spartans came back in the second half and held the Ramblers to only one score, an 84 yard sprint by Pierre Finella who scored two touchdowns and lead a fierce ground game that amassed 279 yards. The final score was 35-12 in the Ramblers' favor.

The Ramblers traveled to Ebensburg to play Bishop Carroll in their second game. The Huskies proved to be a tough competitor. The Ramblers only had minimum success on offense while the Huskies moved the ball with a little more consistency. It took an interception by Matt Pruchnik in the fourth quarter to preserve a Rambler victory 14-12.

The third game of the season was with archrival Richland. The Ramblers came into the game with a (2-0) record while the

HEAD COACH Joe Flori

Rams were (0-2)

The first quarter ended scoreless. In the second quarter, the Rams recovered a fumbled punt by the Ramblers and drove to the first score. The Ramblers, however, came right back to score on a 12 yard run by Rodger Shepko. Both teams scored again before the half making the score 14-12 in favor of the Ramblers.

The Ramblers came out steaming in the second half and ram-

bled to a 27-12 lead on some key blocking by the offensive line especially by Jeff Petrilla and John Holden. However, the Rams scored two fourth quarter touchdowns and won the game 28-27, ending the Ramblers dream of an undefeated season. The score was somewhat ironic as the J.V. team had lost to Richland the year before by the same score.

The resurgent Ramblers hosted Bedford in the fourth game. The offense was again impressive as Rodger Shepko lead the way with both his running and catching ability. The defense put up a fine fourth quarter stand and the Ramblers came away with a 19-13 victory.

Coming off a fine victory, the Ramblers visited Somerset for their fifth game of the season. The visit turned out to be quite a disappointment. In the second quarter, defensive standout Mike Adore broke his wrist and the Ramblers never seemed to get back on track. The final score was 19-6 in favor of the Eagles.

The powerful Indians of Conemaugh Township visited Windber Stadium for the Ramblers

next contest. The first half was quite a defensive struggle as it ended 7-6 in favor of the Indians. However, the second half turned into an offensive display. The Ramblers again jumped out to a 19-14 lead but were unable to hold the Indians off despite a valiant effort. Again, the loss was compounded as Jim Spinos, who had just broken into the starting lineup, fractured his hand.

The never-say-die Ramblers bounced back the next week to crush the Hilltoppers of Westmont. Once again, the Ramblers offensive machine displayed quite an effort. This time it was on the accurate throwing of Bill Tallyen. The Ramblers accumulated 188 yards in the air and most of the yardage was compiled by ends Tom Badowski and Mike Pascovich. Pascovich also booted a 24 yard fieldgoal as the Ramblers rolled up a 30-8 victory.

Coming off this victory, the Ramblers seemed somewhat unprepared as they faced the Bishop McCort Crushers in the eight game of the season. The Ramblers scored first in this hard

fought battle to take a 6-0 lead through the first half. However, the Crushers scored in the third quarter and held on to a 7-6 victory. The game was further marred for the Ramblers by a bench clearing scuffle at the end of the game.

Going into the ninth game of the season, the Ramblers had a (4-4) record. Their next opponents were the Rangers of Forest Hills. The Rangers were first on

the scoreboard with a 36 yard fieldgoal. However, the gutsy Ramblers came back to score on a 6 yard run by Bill Tallyen to take the lead 7-3. That was the last time the Ramblers led in the game.

In the second half, the Ramblers managed to move the ball but were unable to punch across a score. The Rangers, (despite a great defensive effort by Brian Petrilla and Mike Miele) pulled away in the second half. The final score ended 24-7, giving the Ramblers their fifth loss.

In the season finale, the Ramblers had the unpleasant opportunity to be the first team to have a losing season under Coach Flori. However, this was not to be the case. The Ramblers displayed a fierce offensive attack and routed the North Star Cougars 46-24. Bill Tallyen passed for 200 yards and Rodger Shepko rushed for 206 yards to lead the way. After leading 33-8 at halftime, the Ramblers' second team played much of the second half. Each team scored twice in the second half. The Ramblers were sparked by Tom Gill's pass interception and fumble recovery that silenced two Cougar drives.

Thus the season had its peaks and valleys. The highlight of the season was the win over Bedford, which as it turned out was Bedford's lone defeat. The Ramblers record of 5-5 seemed somewhat of a disappointment; however, there are many schools in this area that dream of having such a record.

This year's Girls Basketball team was led by four seniors. They are Nancy Cardone, Denise Charney, Jodi Gahagen and Renee Shepko. The team also relied on junior guard, Missy Hoffer, for speed and ball handling ability.

After two successful scrimmages, the girls were ready to face Ligonier Valley on their home court. The girls took care of business with a 55-33 victory. Jodi Gahagen led the team with 18 points. She was followed by Jodi Gahagen with 12 points and Nancy Cardone with 11 points.

The girls basketball team won their second game of the season against Johnstown by the score of 70-43. High scorer was Nancy Cardone with 17 points. Jodi Gahagen had 10 points and Renee Shepko had 13.

With a 2-0 record, the girls traveled to Indiana for the third game of the season. Indiana was a powerhouse and romped over the girls by the score of 78-38. Renee Shepko led the team with 14 points followed by Nancy Cardone with 10.

Vo-Tech was the next victim on the schedule. They fell to the girls basketball team by a score of 51-37. Leading in points was Nancy Cardone with 16. Renee Shepko scored 12 points and Missy Hoffer had 9 points. Jodi Gahagen added 8, and Denise Charney contributed 6 points to the winning cause.

The girls were fired up to face the archrival Richland Rams. The game was a tough one until the final buzzer. The score saw-sawed back and forth. The girls lost by a score of 65-58. Renee Shepko was high scorer with 25 points. Nancy Cardone had 12 points and Jodi Gahagen added 10 points.

The Girls Basketball Team then traveled to Ligonier where they defeated Ligonier Valley by a score of 55-42. Jodi Gahagen again led the team with 18 points. Nancy Cardone and Renee Shepko contributed 12 points each to the winning cause.

The first half of the season went by fast and the girls compiled a 6-2 record. They were hoping their luck would continue. However, the next game was against Bishop McCort. The girls tried their best to win, but at the final buzzer McCort won 73-58. Nancy Cardone led the team with 15 points. Renee Shepko and Missy Hoffer each added 13 points.

Next was the battle against Johnstown. The girls had a good lead

during the first quarter, but Johnstown kept racking up the points. However, the girls were lucky to win. The score was 59-58. Leading the team was Renee Shepko with 22 points. Jodi Gahagen contributed 11 points to the winning cause.

After Johnstown, the girls faced the powerhouse from Indiana. Indiana started off on the right foot. The first quarter score was 26-4 in favor of the girls, but the girls still tried their best. Indiana won by a score of 74-41. Renee Shepko led the team with 19 points.

Missy Hoffer led the girls basketball team to a victory over Johnstown Vo-Tech by a score of 58-31. Hoffer contributed 18 points. Also in double figures were Jodi Gahagen with 16 points and Renee Shepko with 14 points.

The girls traveled to Richland for the thirteenth game of the season. Richland blasted Windber by a score of 64-31.

Next, the girls stomped over North Star with a 60-37 victory. Renee Shepko led the team with 18 points. She was followed by Nancy Cardone with 16 points and Jodi Gahagen had 12 points. Also, Missy Hoffer added 11 points to the winning cause.

The girls traveled to Westmont where they crushed the Hilltoppers. Missy Hoffer fired in 20 points. Jodi Gahagen added 17 points and Renee Shepko contributed 16 points to the game.

The girls traveled to Bishop McCort for the final game of the season. McCort had their fastbreak in high gear which enabled them to beat Windber by a score of 72-54.

The 1978-79 Windber Area Athletic Boosters' Tournament was held at the gym on November 22 and 25, 1978. The teams participating in this tournament were Windber, Bishop McCort, Richland, and Bishop Carroll. The girls' hopes were shattered from being the champions of the WAABA Tournament as they lost two fast-paced games by a total of five points.

The girls met their first opponent, Bishop McCort, on Wednesday November 22, 1978. Renee Shepko led the team with 8 offensive rebounds, 9 defensive rebounds and 22 points. Nancy Cardone scored 11 points and Jodi Gahagen added 10 points. However, this effort also proved to be inadequate as Windber dropped the heartbreaker 39-37.

The Girls' Basketball Team ended the season with a 10-8 record.

There was a great deal of optimism surrounding the 1978-79 Windber Basketball team. With four returning lettermen, the team possessed experience which is vital for all good teams.

Led by seniors John Mucciola, Todd Bostock, Emery Kleban, and Dave Robatin, the team bolted to a 4-0 record by whipping Forest Hills twice 65-59 and 94-76, crushing Somerset 101-48, and thumping Westmont 64-47.

In game number five, however, the Ramblers faced their first true test against the Bedford Bisons. Despite falling behind by six points at halftime, the Ramblers displayed poise, and a never-say-die spirit by rebounding for a 57-49 victory. This snapped Bedford's four game winning streak.

Then in tuning up for the prestigious Windber Rotary Tournament, Windber beat Penn Cambria twice 91-62 and 59-48, and crushed Central 82-56. In their quest for a fourth straight tourney championship, Windber scored the tournament's second highest total in annihilating Bishop McCort 107-50. This led to the title game against Conemaugh Township. The Indians held the hot hand and built a four point lead at halftime. They held this lead until late in the fourth period when Windber rallied to tie the game. The outcome looked bright as the Ramblers gained a 55-51 edge, but the Indians tied the game at the end of

regulation time. The overtime period was nip and tuck until Conemaugh Township grabbed a three point lead with only thirty-eight seconds left. They held on and defeated the Ramblers 62-59. Receiving all-tourney honors from Windber were Emery Kleban and Pete Gerula.

Following this heartbreaking loss, Windber unleashed its fury upon Somerset by a 78-40 count. They continued by whipping Johnstown Vo-Tech 78-62, Bishop Carroll 54-44, and rallying to capture a 61-52 victory at Central Cambria.

The Ramblers then faced arch-rival Richland in a Tri-County League battle. The Rams jumped to an early twelve point lead and held a seven point lead at halftime. However, the Ramblers stormed back and created a close game until late in the fourth period when they iced the game 60-54.

Then in continuing their Tri-County League dominance, the Ramblers triumphed over Cambria Heights 78-61. Against Indiana, however, Windber dropped from the Tri-County League lead by absorbing a loss to the Indians. The game proved to be a true shoot-out, but a few costly mistakes gave the Indians an 86-83 win.

Windber then rebounded to thump Westmont 70-53, outgun Cambria Heights 78-60, and bury Johnstown Vo-Tech 79-50.

The 1978-79 Golf season proved to be a successful one for the Windber golfers as they compiled a 9 win 2 loss record, the best that a Windber golf team has done since first established. The team included seniors Ron Corl, Jim Hollern, Steve Izing, and Brad Westover, juniors Steve Conome, Chris Pruchnak, Brian Szadvari and sophomore Ken Petro. District V competition saw the team place second and send seniors Jim Hollern and Steve Izing to the State Finals in Hershey. Also, by merit of their record, they received an invitation to compete in the Dr. George Wheeling Memorial Tournament held at Sunnehanna Country Club.

ADMINISTRATION, FACULTY, SERVICES

Dr. Charles Landes Superintendent of Schools

To The Class of 1979

Congratulations to the members of the 1979 Graduating Class. You are entering the adult world at an exciting, sometimes perplexing, and challenging time in our existence. We are proud to have you represent the Windber Area School District. As you move ahead into additional training, new vocations, and further education, I have a concern which I would like to share with you.

Our whole world is crying out for models of how to live. Our society is often confused by differing values and attitudes toward how to live. We ask you to move into the future with confidence and with a dynamic equilibrium. We ask you to be sensitive to people and their needs. We ask you to invest something of yourself in relationships. We ask you to develop a lifestyle worthy of yourself, your parents, and your community. The delightful aspect of all this is that we believe you can and will. On behalf of the Board of Education, Faculty, and Administration, I wish you sincere happiness and success in your future years.

The position of principal requires a person like Mr. Frank P. Alcamo, a man with the qualities of integrity, leadership, responsibility, and authority. We at Windber should feel fortunate to have such a man as our principal.

Mr. Alcamo goes beyond administrative duties. He shows concern for and involvement in our activities and achievements. When we first stepped into the halls of W.A.H.S., we found many strangers, but Mr. Alcamo is one person that a student can trust and rely on.

Frank P. Alcamo-High School Principal
B.S.-Indiana University of PA
M.Ed.-Pennsylvania State University

Virgil Palumbo-Assistant Principal
B.S. Mansfield State College
M.Ed. Frostburg State College

This is Mr. Virgil Palumbo's 3rd year as assistant principal. In these 3 years it is amazing to see the patience that this man has with us. He has shown dedication and fairness in dealing with students on a 1 to 1 level. Mr. Palumbo has certainly proven himself to all to be a dependable and capable administrator.
